## 2021 GRADUATION CEREMONY UPDATE

We are happy to provide updated details regarding the 2021 Sherrard High School graduation. The following are pertinent and logistical details:

1. The graduation ceremony will be held on Sunday, May 30, 2021 at 2:00 p.m.
2. Due to remaining COVID mitigations, the ceremony will be held outside at the football stadium.
3. Every graduate will receive four tickets to disperse to family and friends. No exceptions will be made for additional tickets.
4. In case of inclement weather, the event will be moved to the gymnasium where two guests will be allowed. The remaining two ticket holders can view the graduation ceremony via live streaming in the commons, auditorium, or any other non-school location.
5. All COVID mitigations at the time of the ceremony will be followed (including the potential for increased capacity in the stadium). Every attempt will be made to communicate any updated changes prior to the ceremony.
6. All guests will sit in identified locations in the football bleachers. Handicapped accommodations are available upon request.

Please call 309-593-2175 with any questions.
