Howdy, Tigers!

We made it! It is officially May. 😊

Nearly 9 months ago we started on a new and unknown path forward. Together, we have faced and overcome countless obstacles, collaborated and worked through challenging circumstances, and shared many tears of both frustration and joy. This year has been unlike any other...and will hopefully remain that way. 😊

Regardless of individual circumstances and events, I certainly hope you have been left with a strong sense of support and appreciation. While it may not yet be apparent, these experiences will serve to strengthen our community and overall resolve. We will continue to learn and grow from these trials as we determine the pieces that will stay as we move forward and those than can be left behind. Needless to say, there is a lot to unpack.

With that in mind, please continue to share your thoughts and feedback with our staff and administrators. We value your input and appreciate your insight. The coming year will bring new and exciting challenges, but, by learning and planning together, we will be ready for anything on the roads ahead.

Thank you again for being a part of the adventure this year. We hope you and your family have a strong finish to the school year and a wonderful summer break in the sunshine.

It sure is great to be a Tiger.

Respectfully,

Casey Wyant
