Howdy, Tigers!

Where did August go?!? ;)

It was certainly a month jam-packed with challenges and celebrations as we kicked off the new school year and began settling back into our classrooms with friends and teachers. We had many opportunities to review and practice building procedures, students completed Fall MAPS and iReady assessments, and we even found time to enjoy some special treats with local first responders at recess.

For September, we begin to set our sights on the goals for the school year ahead. Student growth is the primary focus and we are ready to see how far we can go this year! But, we will also be including a little fun with our work later in the month by participating in some spirit week activities to highlight the Homecoming celebrations. :)

We are indeed moving and grooving at Sherrard Elementary! Thank you for your ongoing collaboration and support as we continue pushing forward to be the best Tigers we can be! :)

Respectfully,
